CONFESSIONS OF FAITH: DELIVERY

- a. Dear Heavenly Father, I look forward to the delivery of my sweet precious baby having enjoyed a blessed pregnancy of full term. I thank You for Your Word, Your blessings and promises. I am assured of Your mighty presence and divine intervention as You have promised never to leave nor forsake me and to be with me always. I pray, believe and confess that as You have purposed, my body and baby will cooperate with Your perfect and supernatural plan for my delivery. There will be no problems or complications of any kind in Jesus name.
- b. I believe and declare that I will have a short, easy, quick and painless delivery for Christ has redeemed me from curse of the law, therefore I shall have no sorrow in child bearing. Galatians 3:13. Body, I command you to function properly and be at peace. Relax in Jesus name. I reject and stand against all fear for I have perfect peace as my mind is stayed on God.
- c. I declare that I shall have enough time to get to the hospital and receive the proper care. I receive your wisdom Lord for all the medical personnel who shall assist my delivery. I declare in the name of Jesus, that they are led of Your spirit concerning me and my baby. I declare that there shall be no mistake or negligence on their part.
- d. Baby, I speak to you in the name of Jesus, I command you to move and place yourself in the proper and perfect position for birth, head first and not breech and face down. You shall rotate properly as God intended and I command the umbilical cord to be in the proper position.
- e. I thank You Father that at Your perfect and appointed time for my delivery, my waters will break and my uterus will contract and push my baby down into Your loving arms and our lives. I command my cervix to dilate fully quickly, to be elastic and stretch. I declare in Jesus name I shall have no tears and have no need of a cut. I thank You Father for my miraculous delivery and the well being of my baby because we are already healed by the stripes of Jesus. My baby shall not be jaundiced, deformed or have sickness of any kind.
- f. I receive strength for labour and regain full strength and health after my delivery. I declare that my body shall be restored quickly to its normal shape and size and I shall have no afterbirth complications or diseases in Jesus name. Thank You Father, for I receive all these in Jesus name. Amen.
